

2025 CVRI Symposium Abstract Submission Guidelines

Deadline for Abstract Submission: Friday, March 14th, 6:00pm CST

Abstracts must be submitted electronically via the [CVRI symposium website](#) by clicking on the '[Abstract Submission](#)' link. Abstracts submitted after the deadline will not be accepted.

By submitting an abstract, you have agreed to present a poster during one of the poster sessions on April 9, 2025.

Guidelines: You may be a co-author on multiple abstracts. However, you may only submit a maximum of two abstracts as the first (and presenting) author.

Abstract Format:

- An abstract is limited to 2,000 characters (including spaces), excluding titles and authors.
- Tables and graphs are NOT permitted.
- An e-mail confirmation will be sent to confirm receipt of the abstract.

Abstract Categories:

- Coronary Artery Disease, Atherosclerosis, Ischemia
- Heart failure, Cardiomyopathy
- Arrhythmias, Channelopathies
- Congenital Developmental Heart Disease
- Aortopathy, Valvular heart disease
- Cardiac regeneration, Stem cells
- Other

Presentation Awards: All poster presentations will be judged during the symposium. Best poster awards will be available for the following categories:

- Students
- Postdoctoral research trainees
- Clinical residents/fellows
- Junior Faculty (Instructor, Assistant Professor)
- Outstanding clinical or outcomes research (regardless of the first author's rank/title)
